

Monkimun Raises \$1M to Help Young Children Learn Languages

Mar 31, 2015

Want to see all the [Ka'Ching](#) deals?

MONKIMUN: \$1 million to [Monkimun](#), a startup based in San Francisco and Madrid, in a seed round from 500 Startups, SHO-zemi Innovation Ventures, Incuvest and Lanzame Capital. Founded in 2014, the startup develops language learning apps targeted for children ages 2 to 6. A graduate of 500 Startups, Monkimun claims its five apps, available in English, Spanish, Portuguese and Chinese, have already been **downloaded over a million times**. Tech in Asia has the **backstory behind the startup's origin**.
